Fall 2017

Dear Micanopy Resident,

The annual Micanopy Fall Festival will take place the weekend of October 28-29, 2017.

We expect a large number of visitors to join in the fun, food, and fellowship. We appreciate your patience with the vendors and Festival patrons during this time. We know there is some traffic congestion and parking issues that come with the Festival. Traffic information is as follows:

- **Cholokka Blvd will be closed from Tahota Ave to Ocala Ave from 5pm Friday - 6pm Sunday.**
 - **Due to safety issues, Cholokka Blvd will be one way going North from 3-7pm Friday during vendor check-in and 4:30-6pm on Sunday.**
 - **We encourage you to use Division St. on Friday after 3pm, to minimize traffic problems.**
- **Vendors will be backed up on Tusawilla for check-in (like the 4th of July parade)**
 - **2pm – 7pm Friday, Oct 27**
 - **6am – 8am Saturday, Oct 28**

If you do not want members of the public to park on your property or on the right-of-way in front of your property, please mark off these areas to prevent parking problems. The Festival Committee has little control over parking of the general public, we only direct vendor parking. It is our recommendation that you have your property clearly marked by the Friday before the Festival, as vendors will start arriving early on Friday, October 27.

We will have city-approved camping at the ball field only. We do not expect many campers.

In the interest of crowd safety, please do not ride bikes, Segways, hoverboards, and skate boards along the Cholokka Blvd street and sidewalks during the festival. We also encourage you to keep your pets at home for their safety and well-being. If they do attend the festivities with you, they must be leashed in keeping with the local ordinances.

As always, we appreciate the kindness and patience that you show towards the Micanopy Fall Festival Committee and our guests on these two very busy days. If you have any questions or concerns about traffic and parking issues, please contact the Committee (see above). We thank you for your help to make this festival a success, and hope you join us and enjoy the festivities.

Sincerely,

Micanopy Fall Festival Committee
